Glorifying GOD by Helping Starving Children!

Reflecting back on 2009

Through your donations, Risen Savior Missions has sent enough food to reverse malnutrition in **42,000** children this year and help another **18,000** children and infants with emergency typhoon relief meals for at least three months. Because of this food, the starving children on our four- to twelve-month long holistic feeding programs are gaining weight, averaging three to ten pounds during the first month. Wow, Jesus! Praise God!

RSM has shipped over eight million meals in the last three years to hundreds of different feeding sites throughout the Philippines. Now entire villages have healthy children again. Thousands of little children can laugh, sing, dance, and go back to school because of your donations. For example, out of the 8,819 children on the island of Leyte, nearly 7,000 children are back to their normal weight and full health! Last September a little girl joyfully said to her mother, as she was eating a cup of food, "Mommy, Christmas came early this year!"

But there is so much more we can do! Our goal this coming year in 2010 will be to reverse malnutrition in 70,000 innocent, starving Philippine children! We want to reach the families that live in the areas under bridges and those that have converted empty tombs in the cemetery into their dwellings. We want to help the out-of-school youth that work in the dumpsites as scavengers, gathering plastics and bottles to be sold for a meager sum to buy food and other daily necessities.

Did you know that a \$20 donation will pay for the shipment of 1,000 meals to these starving children, or that \$100 ships 5,000 meals? Please partner with us to serve them and be the hope they so desperately need. Send your gift to:

Risen Savior Missions
812 Springhill Drive
Burnsville, MN 55306

PayPal donations via credit card are available on our website: www.risensaviormissions.org

RSM Gala was quite a night to remember!

Nearly 300 people enjoyed a very memorable night of music, dances, feasting, fellowship, and silent auction bargains on November 28 at Cross Point Church in Bloomington. Thank you to everyone who attended our special evening and to all the volunteers who made it so successful and helped raise enough money to feed 12,000 more children next year!
